

## Done and Dusted Tech Rider

### Staging

2x2m stage approx 60-80cm high with clear space underneath (not boxes).

i.e. 2 of these secured together:

2x2m black dance flooring. We can bring our own if necessary.

Tape for attaching dance floor.

### Sound

2-4 high-quality PA speakers on stands with 6-10m cabling for each.

Small table with 8 power outlets for musician.

### Lighting

4 PARCANS with cold light. Preferably hung from ceiling or on high stands.

Basic mixing desk for lights - the only lighting cue is a fadeout at the end.
